

Uganda in a canopy camper

Camping trip in comfort

Experience the ultimate safari and a vacation in one of our 4x4 campers. Hire a fully equipped Toyota Hilux 4x4 with Alucab Canopy and go on a self-drive safari. Enjoy the freedom and flexibility of a self-drive safari with a 4x4. Experience Uganda's national parks with their impressive world of animals and visit the unique mountain gorillas in Bwindi Impenetrable National Park. Uganda has a large network of comfortable and safe campsites. These campsites often belong to lodges where you can also use the lodge's facilities.
