

Tanzania's Serengeti and dream beaches on Zanzibar

This combined Tanzania and Zanzibar trip shows you the north of the country with the Serengeti, the Ngorongoro Crater, Lake Manyara and Tarangire National Park. You will be amazed by the diversity of animals with over 3000 lions in the Serengeti and the large herds of elephants in Tarangire NP. Your German-speaking guide will show you the most beautiful places and answer all your questions. After the adventurous safari, relax on the white sandy beach on Zanzibar and enjoy the sun and the sea.
